BEST PRACTICES OF VIJAYA TEACHERS COLLEGE - CTE 2022-23

BEST PRACTICE-1

Title of the practice: Celebration of Important days of eminent personalities in the field of science, mathematics, philosophy and literature.

Goal: To appreciate the contributions made by eminent personalities in science, mathematics, philosophy and literature.

Objectives of the practice: To know about the contributions made by great personalities, understand the effort and dedication made by great personalities in discovering knowledge, new products, practices for human welfare and development, inspire the teacher trainees and students to imitate the foot path of great personalities to solve problems of present world and develop right personalities among teacher trainees

The context: Vijaya teachers college from its inception it is training students to get excellence in teacher education program and also have the mission to produce competence based committed teachers and in-service teachers. It well known fact that “as is the teacher so is the students” mean how the teacher is with value-based behavior so is the student, they imitate their teacher in day-to-day life, therefore creating and training valued based teacher is the key aim of teacher education. The National Curriculum Framework (NCF) 2005 places different demands and expectations on the teacher, which need to be addressed both by initial and continuing teacher education. The importance of competent teachers to the nation’s school system can in no way be overemphasized. It is well known that the quality and extent of learner achievement are determined primarily by teacher competence, sensitivity and teacher motivation. It is common knowledge too that the academic and professional standards of teachers constitute a critical component of the essential learning conditions for achieving the educational goals. The length of academic preparation, the level and quality of subject matter knowledge, the repertoire of pedagogical skills the teachers possess to meet the needs of diverse learning situations, the degree of commitment to the profession, sensitivity to contemporary issues and problems as also to learners and the level of motivation critically influence the quality of curriculum transaction in the classrooms and thereby pupil learning and the larger processes of social Transformation.

The Practice: The practice has been implemented successfully with the title as “Celebration of Important days of eminent personalities in the field of science, mathematics, philosophy and literature”. VTC celebrated the days in the entire academic year such as; National science day- 28th February 2022, Mathematics day -22nd December 2022, National youth day -12th January 2022 and Vishwamanava Day – 29th December 2022

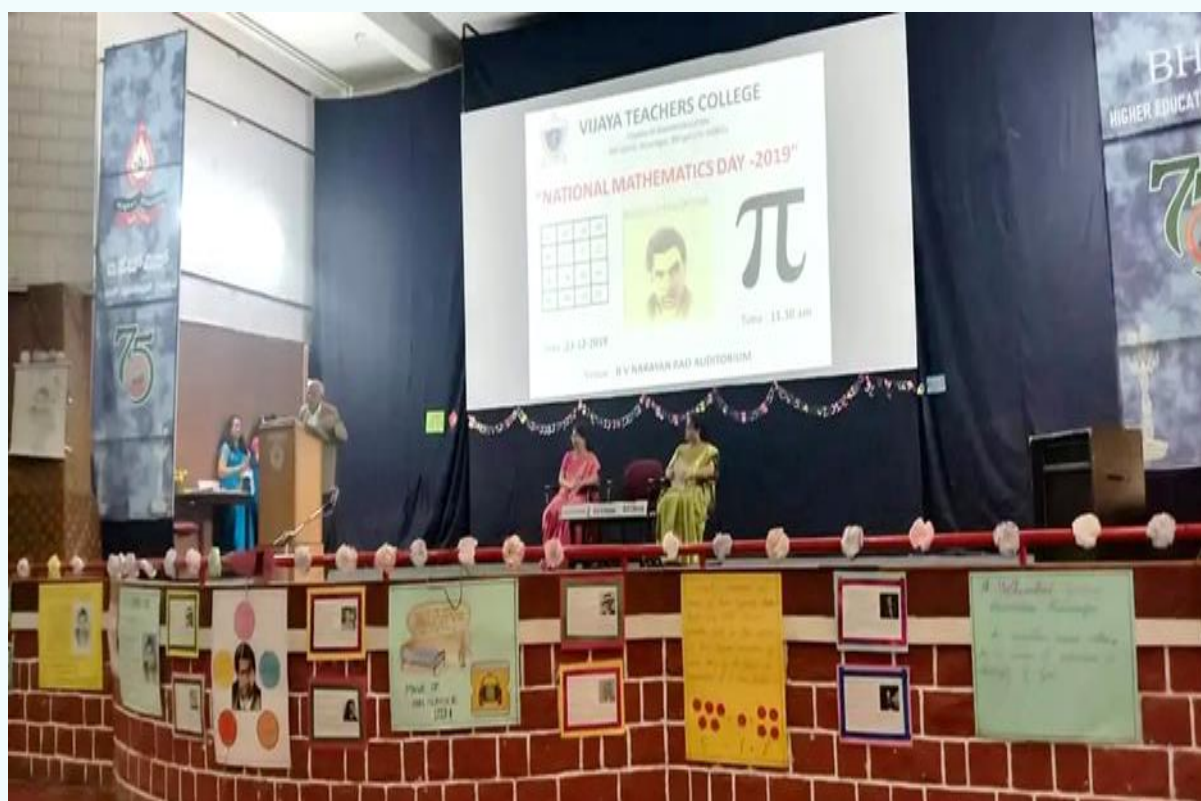

Evidence of Success: After the practice of above activity feedback was collected, later feedback analyzed and found that, The teacher trainees got inspiration after participated in the program, how great personalities they sacrificed their life for cause human value, to lead peaceful and scientific life.

Problems Encountered and resources required: In organizing this program the students felt that more time should give for preparation.

Best practice-2

Title of the practice : Encouraging the student to participate in various cultural and sports competition.

Goal: To Develop ability to participate in cultural and sports competition

Objectives of the practice: To encourage the students to participate cultural and sports activities at different level, to Develop spirit Healthy competition in participating cultural and sports activities

The context: Vijaya teachers college from its inception it is training students to get excellence in teacher education program and also have the mission to produce competence based committed teachers and in-service teachers. Culture plays an important role in the development of any nation. It represents a set of shared attitudes, values, goals and practices. Culture and creativity manifest themselves in almost all economic, social and other activities. A country as diverse as India is symbolized by the plurality of its culture. India has one of the world's largest collections of songs, music, dance, theatre, folk traditions, performing arts, rites and rituals, paintings and writings that are known as the 'Intangible Cultural Heritage' of humanity. "Education is the manifestation of the Perfection Already existing in Man" said Swami Vivekananda. The primary objective of education is overall personality development. Complimenting to this objective, the paradigms of Physical Education, Sports and Yoga are integrated under the National Education Policy (NEP) 2020. Physical Education, Sports and Yoga professionals, will contribute in bringing Health and Wellness at every aspect of one's personality. From the above observation it is clear that participation in cultural and sports competition help the individual to grow harmoniously with competitive spirit and also these activities help the students to grow in broader areas.

The Practice: The practice has been implemented successfully with the title as "Encouraging the student to participate in various cultural and sports competition". Here students are encouraged to participate cultural and sports competition at university level, state level and National level. In the academic year the students are participated XXX
