Timestamp	Email Address	Email ID	Contact Number	Age	Name of the College	Gender	Which degree program did you pursue in this college?	Which subject area are you currently pursuing?	1. When you joined the college, you were oriented about expectations from you and the competencies you should develop on completion of the Programme?	2. The teaching of theory courses helped you to become aware about the working of school system in the country	3. Did the educational documents / reports available at the institution help you to understand the educational functioning?	4. You got an exposure to multiple modes of teaching learning in the college	5. Did you get the opportunity to learn through internet-based sources during your stay in college?	6. To what extent did the college enabled you to be capable of masterfully adopting ICT based learning sequences for school teaching?	7. The learning activities provided in the college helped you to develop necessary competencies to become a teacher?	8. How well were you prepared for the practice of teaching in schools?	9. Did the orientation given by the school-based internship was useful and adequate?	10. My experience in school during internship was very useful	11. The internal evaluation in the college was relevant and impartial	12. Overall quality of teaching-learning and evaluation processes in the college are good?	13. Did the mentoring process in the college help you to resolve the difficulties in academic and personal matters?	14. Name any two significant attributes which you have learnt helped you for effective classroom teaching	15. Mention any two of your expectations from Teacher Education Programme which are fulfilled	16. Mention any of your expectations from Teacher Education Programme which are not fulfilled	17. Considering all your experiences with respect to teaching-learning and evaluation process in the college how do you rate the college on a scale of 1 to 5.
