About Me

I am a dedicated, passionate and committed Assistant Professor dedicated to nurturing future educators through innovative teaching, research, and reflective practice. With a strong foundation in educational theory and hands-on experience in pedagogy, I aim to create inclusive and engaging learning environments that empower students to think critically and teach creatively and empathetically.

Areas of Interest

- Educational Psychology
- Teaching and Learning Processes
- Psychological Foundations of Education
- Gender School and Society
- Value Education
- Education and National Concerns
- Action Research
- Content and Pedagogy of Physical Science
- Content and Pedagogy of Biological Science
- Inclusive Education
- Research Methodology in Education
- Educational Planning and Administration

My Teaching Philosophy

✦ **"TO TEACH IS TO TOUCH A LIFE FOREVER."**

I believe that *Education is not the filling of a pail, but the lighting of a fire*. My teaching approach encourages student inquiry, creativity, and a deep understanding of content development, classroom dynamics, and the transformative power of education.

Skills & Strengths

- Student-Centered Learning.
- Strong Communication & Interpersonal Skills
- Time Management and Organizational Skills.

- Positive Attitude and Maintaining healthy relationships.
 - Academic Mentoring
 - Multilingual Classroom Strategies.
 - Classroom Research.
 - Differentiated Instruction
 - Constructivist & Experiential Learning.
 - Problem solving capacity with Sound Research knowledge.
 - Quick learner, Adjustable and Reliable.
 - Discipline and Lesson Planning
 - Laboratory Skills, Scientific and Logical Thinking.
 - **Digital Literacy & EdTech:**
 - Google Classroom, Google Forms
 - Microsoft PowerPoint, Word, Excel
 - Zoom & Google Meet
 - Canva for Educational Content
 - LMS and E-learning Module Creation
-

Academic Credentials

- M.Ed - R V Teachers College, [Bengaluru City University]
 - B.Ed - R V Teachers College [Bengaluru City University]
 - M.Sc - Acharya Institute of Graduate Studies [Bangalore University]
 - B.Sc - St. Joseph's College of Arts and Science (Autonomous)
 - Qualified Karnataka State Eligibility Test
 - Qualified Central Teacher Eligibility Test
-

Research & Projects

- Presented a seminar/paper on “*Nature – The Humans’ Magic Pill*” in an international conference in Nagercoil, Tamil Nadu.
 - A Mini-Research Entitled : The Opinion of Students and Secondary School Teachers regarding the alternative measures taken by CBSE Board to conduct Examination.
 - Project Entitled : Effect of Tobacco on Human beings. - Detailed Survey Report consisting of cause and effect of Tobacco on Humans. (Chemical and Biological Aspects).
-

Professional Experience

- Participated in One day National Level Orientation Programme on "*Learning Management System*” Organized by TUTEA, Tumakuru in association with KSEF

College of Education, Tumakuru on 8th October.

- Participated in '*INTERACTIVE LECTURE PROGRAM IN PHYSICS*' by C.N.R. Rao Hall Of Science & Education Technology Unit, Jawaharlal Nehru Centre For Advanced Scientific Research, Jakkur P.O., Bangalore-560064.
 - Attended National Webinar on '*Recent Trends in Materials Chemistry*', organised by Department of Chemistry, RGUKT, R K Valley from 15.10.2020 to 17.10.2020
 - Participated in a week long National Webinar on "Future of Indian Media Industry" from 22-27 June 2020 by Department of Communication, Bangalore University, Bengaluru.
 - Participated in the Physics Webinar "*Extension Of Modern Periodic Table Towards Superheavy Metals - Indian Perspective*" occurred on 17-06-2020.
 - Participated in the *One day National Brain Storming Webinar on Teacher Education before NCTE & After in INDIA* on 24.06.2020.
 - Attended Seminar on '*CAREER OPPORTUNITIES IN SAS PROGRAMMING*', organized by Centre for Molecular and Computational Biology, St. Joseph's College.
 - Participated in '*HeForShe CYCLOWALK*' – a solidarity movement towards gender equality.
-

To Conclude -

As an Teacher Educator, I view teaching not just as a profession but as a lifelong journey of learning, leading, and evolving. I aim to build classrooms that go beyond blackboards — where knowledge meets purpose, and teaching becomes a shared journey of transformation.

Let us prepare learners not just to face exams, but to face life — with courage, clarity, and compassion.

Warm Regards,

Priyanka B Bhanawat
